To all of our Brothers and Sisters in Christ.

If I could use one word to describe Troy & Tammy Burns of The Troy Burns Family, it would be “Humble”. But they are representative of that and more. The scripture tells us in Colossians 3:12 to “Put on therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, longsuffering;”. Their ministry to the Lord Jesus Christ shines not only in their music, but with their walk in Christ. I for one am thrilled to call them Brother and Sister in Christ. We had them at our church and would recommend them at yours. We all share Jesus in one gift or another. I would ask only that you invite them to share their gifts from Christ with you!

May The Lord Bless You,

Pastor Darrell Walden

To Whom It May Concern:

Greetings in the Name of our Lord Jesus Christ and thank you so much for allowing me a few moments of your precious time to simply share my heart.

Recently, we were able to have The Troy Burns family in to lead us for a time of deeply moving, Christ honoring worship in song. Without even the slightest attempt to change who they are in either style of substance, they were more than able to connect with the entire spectrum of our congregation. It is my conviction that music which makes much of Jesus always makes a difference in the heart that hears. Troy and Tammy, through their skillfully prepared musical renderings and spiritually sensitive demeanor, came across in such a way that the church was edified greatly in every sense of the word.

Quite honestly, I hope that God will let me have them again. And again, etc. In the event that the Lord might lead you to schedule them for one of your worship services (whether you are traditional, contemporary or blended) please get ready to be blessed by the Spirit's anointing and by their ageless authenticity. Call them today. Have them soon. You will be glad that you did!

Respectfully His and of course...  
Just for Jesus,

Dear Friend,

As a pastor who likes to invite special music guests to our church, I am highly interested in the songs and the singer. Most of my pastor friends feel the same way...they want to know something about the folks they invite and they want to be sure they will have a meaningful service, not just a show.

As a pastor who has had The Troy Burns Family on multiple occasions to our church, let me share with you what you can expect when you have a service with Troy, Tammy and Roland.

You can expect to hear some of the great gospel songs that Troy and The Inspirations made famous several years back. And when Troy and The Family sing them with such freshness and conviction, what you discover is these songs still have a powerful impact. There are reasons that these songs are classics...and when their message is delivered with ability, sincerity and passion, you'll rejoice in hearing them again.

But, this group does not just rest on Troy's past laurels. They still seek out new songs that say what they want to say, songs that portray Christ as our hope, that speak of some biblical truth and some great heartwarming facet of the Christian walk....songs that will minister to the soul. Your congregation will be lead to worship through their ministry.

Just to put it simply.... Troy, Tammy and Roland are wonderfully gifted singers, deeply devoted Christians who are sensitive to the working of the Spirit of God and can connect with a congregation through their effective ministry of music. That is why without reservation I can recommend them to you. I believe they can be a real blessing to you and your church.

May God richly bless you,

To Whom It May Concern:

Troy and Tammy Burns did a great job providing special music while at our church. They were a blessing with both the choice of songs and the way they sang them. I would like to recommend them for your church any time you want someone special for the music ministry.

Over the years as a pastor, I've had many opportunities to observe the true character of a great many Gospel groups. The Troy Burns Family is the cream of the crop. It is without any hesitation whatsoever that I heartily recommend them. Their service to our Lord is unmatched, as their heartfelt melodic voices ring out, blending well as they praise our Heavenly Father. The entire congregation and I were extremely pleased with their concert, as it was truly honoring to our Lord. We definitely knew we had been in church and are looking forward to having them back to sing at Fullerville Baptist.

My cell phone is 770-878-0255, and if you have any questions feel free to call me. I am confident you and your congregation will be blessed with the singing and ministry of the Troy Burns Family.

Still amazed,  
Rev. P. Steve Swafford

Dear Pastor or Ministry Leader,

Troy Burns has been a long time friend and fellow servant of the Lord as an original member of The Inspirations and now as a member of his own group, The Troy Burns Family. I have been involved with Troy and his ministry for a number of years and I know his heart for both sinners and saints. His calling to sing and share the gospel fits in beautifully with the gifts God has placed within his life and that of his wife Tammy. I am happy to commend this ministry to you and your church family.

I know that Troy and his family will bring the presence of the Lord to any service or concert and I pray that you might find in them the friends and ministry partners that I have found.

In His Service,
